

The New Forest National Park Boundary: Seeing Landscape Differently

Visitor Comments

"Very visually interesting"

"How original.....very exciting.....new way of looking..."

"What a great visual experience that opens the mind's eye to the "landscape" vision we have when viewing the natural world..."

"Great show, interesting concept...I like the visual repetition too"

"Certainly different an unusual concept that makes you think in a different spatial way...quite challenging"

"Lovely quirky idea"

"...once you stand back they are impressive in their achievement"
